

Parth Sandeep Sitoot

Portfolio | parth.sitoot@gmail.com | +91 9653224017 | Mumbai, India

Education

Bachelor of Engineering, Computer Engineering University of Mumbai, Mumbai Relevant Coursework: Java, Data Structures, Database Management, Analysis of Algorithm, Operating System	Aug 2023 - Present GPA: 8.61
Higher Secondary School Maharashtra State Board	Jul 2021 - Apr 2023 Percentage: 81%

Work Experience

Prompt Software Consultants Pvt Ltd Java Development Intern • Engineered scalable backend components using Spring Boot , optimizing database queries to improve application response time. • Refactored critical backend components within a team to optimize execution flow, resulting in a 20% reduction in data processing time .	Dec 2024 - Jan 2025
Octanet Services Pvt Ltd Java Development Intern • Collaborated within an Agile team to design and deploy RESTful APIs using Java and Spring Boot , streamlining data exchange between frontend and backend	Jun 2024 - Jul 2024

Projects

Visual • A modern, full-stack web platform designed to deliver a seamless and interactive user experience, inspired by intuitive and user-friendly systems with integrated payment system for subscriptions. It combines a responsive frontend with a robust backend built using Spring Boot , ensuring scalability, security, and high performance. • Text Stack: Java, SpringBoot, JW/OAuth, Kafka, SpringAi, React, Docker	Dec 2026 - Present
ProBanker • A secure Spring Boot webApp using Dependency Injection (DI) to wire RESTful controllers and transactional services. • Tech stack: Java, Springboot, JWT/OAuth, MySQL, Maven, Docker	Sept 2025 - Nov 2025
StudBud • An interactive app in Django to create rooms of various topics and start a conversation about them. • Tech stack: Python, HTML, CSS	Jan 2026 - Feb 2026
Dechord • Upload any audio file and with the help of a CNN instantly discover the chords used in your song. This app analyzes your track and shows the complete chord progression for easy learning and playing. • Tech stack: Django, Python, React	Jan 2026 - Present

Technical Skills

Programming Languages:	C, C++, Java, Python, JavaScript, HTML
Frameworks:	SpringBoot, Spring AI, Django
Database:	SQL, MongoDB, PostgreSQL, SQLite
Operating System:	Linux, Windows, Ubuntu, MacOS

Certifications

SpringBoot:	Coding Shuttle, Udemy
Java Data Structures:	Udemy
Python:	Infosys SpringBoard

Extra-Curriculars

Competitive Programming	Solved 1,000+ Data Structures and Algorithms (DSA) problems on LeetCode , demonstrating a strong foundation in algorithmic logic and complexity analysis.
Creative Leadership	Served as a Lead Guitarist for the college band, coordinating with team members to synchronize performances for university-wide events.
